

DR

- b) Communications with current students to provide assurance that their programme of study will not be adversely affected by the decision.
- c) Provide assurance regarding quality of their learning experience and that they are able to complete their studies at the Institution.
- d) Ensure appropriate academic and support staff (e.g. lab technician) capability and capacity to enable students to complete their programme of study.
- e) Ensure appropriate facilities and technological infrastructure to enable students to complete their programme of study.
- f) Any applicants (for future cohorts) will be notified, allowing sufficient time for students to apply for an alternative suitable programme (where relevant) at BC.

**LOW RISK**

**Students registered with University of Bolton**

- iii) **Modifications to programmes or course content (prior and after enrolment):** The
